Credentials

Mr. Downing joined the firm of Rohrbach Associates PC in 1996 as an intern architect and has advanced to architect in the firm. William has 15 years experience in the field of Architecture and has been a registered architect since 1999. William's expertise covers a wide aspect of design and construction administration for many different project types and construction methods.

While at Rohrbach Associates PC, William has been responsible for numerous University, Research Laboratory and Health Care projects. In his position as an architect, he works both independently and in a team of architects on several projects in the schematic design through construction phases. He works closely with our engineering consultants and medical equipment suppliers in the coordination of mechanical and electrical interface with architectural and equipment systems

William previously worked for GPJS Architects, Waterloo, Iowa, and STA Architectural Group, Miami Beach, FL. During this period of time, William worked on a wide variety of project types and budgets through out Iowa.
