#### Credentials

Mr. Phelps joined Rohrbach Associates in 2001 as a project designer and has been in the architectural profession since 1989. His experience includes all aspects of the architectural practice with emphasis in design and presentation graphics. He is involved with the design of many of the firm's projects and works with the firm's Interior Designers and other Architects.

James works closely with clients and the project team to develop design concepts in both exterior and interior environments. He works through sketches, CAD modeling, marker rendering, modeling, and computer animations. His past involvement includes producing design and construction documents of Commercial and Corporate Architecture, Day Care Centers, Health Care Clinics, Hospitals, Assisted Living, and Single and Multi Family Residential Housing.

James served four years on the editorial board of Iowa Architect magazine and has participated in intensive design sessions with the Mike Lin Design and Graphics Workshops. He continues his professional education through seminars and workshops including building science and sustainability.

James previously worked for OPN Architects, Cedar Rapids, IA, Thorson Brom Broshar Snyder Architects, Waterloo, IA and KNV Architects and Planners, Iowa City, IA.
